

2011 Boys Junior Olympics Re-Allocations - June 24, 2011

*Bold = Gained Allocation, Italics = Dropped Allocation

The preliminary allocations were based on the percentage of athlete member registrations per Zone, broken down by gender and age. Each zone automatically receives two allocations per division. Re-allocations are done based on number of teams entered per zone, awarding unused spots based on membership.

Please note we have expanded the 10&U Mixed and 12&U Boys Divisions to 30 teams and 48 teams, respectively.
