### **1. OFFICIAL TEAM NOTEBOOKS**

Must be presented at the desk :30 prior to start of each game and will be held for :10 after the completion of each game. The desk is not responsible for notebooks outside of this time frame. Three (3) copies of the official roster must be included with the notebook. The notebook will be checked for verification of birth date only upon start of the first game. It will not be crossed checked with the players for photo ID. At any time during the tournament, if a players age or identity is contested, the notebook will be referenced with the player in question. The time frame for contesting individual players is :30 prior to game time or :10 minutes after game time.

**LACK OF NOTEBOOK AT THE FIRST GAME IS AN IMMEDIATE FORFEIT. ABSOLUTELY NO EXCEPTIONS.** Lack of notebook at subsequent games is an immediate forfeit if any players identity or age is contested. Verifying players is the responsibility of the tournament director, not the referee. The referee is responsible for upholding the forfeit, if a player is deemed ineligible. AGAIN....ABSOLUTELY NO EXCEPTIONS.

## **2. GATE FEE**

Will be \$5 each day for all those ages 5 and older. Please do not hassle to gate workers, this is to help cover the costs of the tournament. Hand stamps for re-entry at any pool are available at the time of purchase.

## **3. TIE BREAK CLARIFICATION**

All games must have an outcome. Ties in regulation go directly to shootout. Advancement based on point system.:

4 POINTS: win in regulation or forfeit

3 POINTS: win in shootout

2 POINTS: loss in shootout

1 POINT: loss in regulation

0 POINTS: loss by forfeit

Download: Shootout procedures

After awarding points if teams tied in brackets, FINA RULES are used to determine placement:

1. Head to Head
2. Goal Difference
3. Points For
4. Points Against

## **4. CAP COLORS & TEAM BENCH**

First team listed wears white caps and starts the game sitting on the bench to the left, as viewed from the Official Table. Teams shall switch ends/sides at halftime.

## **5. PROTESTS**

To protest a misapplication of the rules in a game a head coach or team official named on the game roster must:

- Do so within 30 minutes of its ending time (recorded by referee on the score sheet)
- Immediately pay a \$100 cash Protest Fee to the Site Director, who holds it in behalf of USAWP
- Describe the incident and nature of the protest in writing, using the Protest Form (or back of the original score sheet)

using the Forms identical format, if the form is not available).

The site director shall immediately notify these parties of a completed filing

- The non-protesting team's head coach.
- The referees at the game site.
- Tournament Committee who shall timely hear all protests, and whose decision shall be final.

NOTE: If an adverse condition is known prior to the start of a game, all provisions apply, EXCEPT filing must be complete BEFORE the signal to start the game is given by the game referee. Teams will proceed with the game at the scheduled time.

Download: Protest Form available at [www.ccazone.org](http://www.ccazone.org) (home page)

## **6. RED CARDS**

A participant who receives a red card shall not participate in the team's next game in that division, and until the suspension is served, shall not participate with any team in any division.

Additionally, the game flow for each division is a collaborative, well-thought effort to ensure every opportunity to compensate for strength of bracketing.

The seeding committee and the CCA Zone board members are confident the correct teams will qualify for this year's Junior Olympic Competitions.

Good Luck this weekend.
